

QHTCA – Lakeside Hotlaps Experience

- ***Or are you just looking for an awesome experience for your friend or loved one?***

Well now you can!

In 2025 QHTCA has again paired up with the Lakeside Raceway team to offer the motorsport enthusiasts this very rare and limited passenger ride in a historic touring car. Strap yourself in for 5 exhilarating laps alongside some of the best car racing drivers in this category as they race around the famous Lakeside Raceway which hosted the same race cars as far back as the mid 1960's.

This opportunity will take place during the lunch break of the "All Aussie" car show day at Lakeside Raceway, Kurwongbah QLD on Sunday 7th September at 12 noon. This creates the perfect opportunity to have a great day out at a racetrack topped of with a ride in an Authentic Group N Historic Touring car!

This year we have 8 different historic touring cars to choose ranging from the 60's & 70's powered by Rotary, 4-, 6- & 8-cylinder engines. We have 4 rides available for each car so make sure you get in quick to ensure you get that experience you are chasing!
